### HOW WE DO THINGS

Please select your meal from the menus provided or straight from the Specials Board. Once you have decided, please make your way to the register to place your order and pay. Our table staff will deliver your meals to your table when they are ready. We will always do our best to get meals to your table at the same time however sometimes this doesn't always go to plan when a table orders a variety of Western and Asian meals. Please be patient while we do our best to coordinate this for you.

### ARE YOU THIRSTY?

Please see our friendly bar staff for a huge selection of drinks. Our bar staff can also provide cold water for your table and a selection of tea, coffee and hot chocolate.

### ARE THE KIDS BORED?

Please ask the Bistro staff for a complimentary activity pack when you order.
